Subject: Notice of File Closure, Jack Wayne Roberts, 3 Guys Rock and Gem #1, S/027/081, Juab Counties, Utah

Dear Mr. Roberts:

The 3 Guys Rock and Gem #1 small mining permit, file number S/027/081 located in Millard County, Utah, will now be closed and the file retired. An August 1, 2006 letter from the BLM confirms that they have closed and released the site based on the fact that the Disturbance was created pre-law and you did no additional disturbance. The Division preformed an inspection on September 12, 2000 and no documented disturbance has been created since that date.

You are now released from further mining or reclamation responsibilities at this site. If you wish to conduct any future mining related activity in this area, you will need to submit a new notice to the appropriate agency(s), prior to creating any disturbance. If you have any questions or concerns regarding this action, please contact me at (801) 538-5258 or Tom Munson at (801) 538-5321.

Sincerely,

for Susan M. White
